PETITION TO REVIVE UNAVOIDABLY ABANDONED APPLICATION

Jean Marc Zimmerman declares as follows:

1. I am an attorney at law licensed to practice before the U.S. Patent and Trademark Office. My registration number is 36,978.
2. I am writing in response to the Notice of Abandonment, a copy of which is attached hereto, that I received from the Patent and Trademark Office in connection with the above-identified application.
3. I filed the above-identified application on May 23, 2000 together with a check in the amount of \$534.00 sufficient to pay for the 28 claims including 6 independent claims. A copy of a return postcard evidencing this filing is attached hereto.
4. On June 2, 2000, I prepared and filed by Express Mail a Preliminary Amendment together with both an executed Declaration and Power of Attorney and a Verified Small Entity Statement that were inadvertently omitted from the initial filing. A copy of a return postcard evidencing this filing is attached hereto.
5. Thereafter, I received a Notice to File Missing Parts dated July 25, 2000 from the U.S. Patent Office, a copy of which is attached hereto, advising me that

the Oath or Declaration and Small Entity Statement were missing and that the statutory basic filing fee was insufficient.

6. In response, I faxed a letter to Ms. Janice Burse at the Initial Patent Examination Division advising her that I timely filed a Declaration, Small Entity Statement and sufficient filing fee. A copy of this letter and its attachments, i.e., copies of transmittal letters and the postcards referred to in Paragraphs 3 and 4 above, and a facsimile confirmation report evidencing this facsimile transmission are attached hereto.

7. Accordingly, the applicant timely responded to the Notice to File Missing Parts and the holding of abandonment in this case should be withdrawn.

8. All statements made herein of my own knowledge are true; and all statements made on information and belief are believed to be true; and that further these statements and the like so made are punishable by fine or imprisonment, or both under 18 U.S.C. Section 1001, and may jeopardize the validity of the application or document or any registration issuing therefrom.

Re: U.S. Patent Application Serial No. 09/577,190 for Method

Dear Ms. Burse:

Further to our telephone conversation this morning and to my letter dated August 9, 2001, I am writing in response to the Notice to File Missing Parts I received in connection with the above-identified case. I filed the subject application on May 23, 2000, and on June 2, 2000 I filed a Preliminary Amendment together with both an executed Declaration and Power of Attorney and a Verified Small Entity Statement that were inadvertently omitted from the initial filing. Attached please find copies of stamped postcards evidencing these filings. At the time I filed the application on May 23, 2000, I submitted a check in the amount of \$534.00 that was clearly sufficient to cover the 28 claims and 6 independent claims. Accordingly, the Notice to File Missing Parts was erroneously issued and I request that it be withdrawn. Thank you.

Very truly yours,

Jean-Marc Zimmerman
